

Extended Day Before & After School Program

**All care by
certified teachers!**
**School Nurse on staff
for After School
program, too!**

"... is so happy at St. Chris and
 couldn't love a teacher more.
 It's because of teachers like
 yourself that helps us know
 we made the right decision in
 choosing St. Chris..."

Safe and secure Extended Day Before and After School Program is available for all Pre-Kindergarten to 6th grade students of St. Christopher School during the school year. Students may participate full-time, part-time, or on an as-needed, drop-in basis... *whatever fits your schedule best!*

The Before School Program is an excellent time for students to review homework or study for tests. All students should bring a small, quiet activity or book to read. Mrs. Walley, second grade teacher, supervises all students in her classroom.

The After School Program is a fun-filled afternoon that includes snack, indoor and outdoor free play, crafts, puzzles, games, music and homework help time. Some days even include science and nature activities! After School Care is supervised by our school nurse, Mrs. Sheehan, along with Mrs. Ternan, fourth grade teacher, and/or Mrs. Riley, librarian. A parent or designated guardian must sign child out when they pick up in the afternoon.

Extended Day Program Hours (Mon.-Fri.):

- Before School: 7:00 a.m. -- 8:30 a.m.
- Before School Care begins at 9:00 a.m.
on delayed opening days
- After School: 3:00 p.m. -- 5:30 p.m.
- No After School Care on Early Release Days

Please note: All St. Chris students must have a registration form on file in the office for emergency care situations, whether or not you are planning to use the Extended Care Before & After School Program. One form will cover both programs.
