

WELCOME TO KINDERGARTEN!! 🍌

We will be off to a great start this year. We have 10 boys and 5 girls to make up our wonderful class, and I am very excited to meet and greet them all! Mrs. Foran and I will see you on Monday which is "Meet the Teacher Day" from 9-11:00am. You can check out the classroom and get yourself prepared for the first day of school.

This month we will begin by reviewing colors, letters of the alphabet, phonics and numbers 1-10. We will be spending a good amount of time practicing lowercase letters in handwriting and name writing as well. We will begin our first unit of our Reading Street program which will cover phonological awareness, comprehension, high frequency words, vocab words, decodable stories and readers! Wow!

To commence our religion series, we will read a book entitled "What is God like?" We will discuss some of God's incredible attributes and our relationship to Him. Our religion book begins with the story of creation which tells about how it all began.

***Attentiveness* is our character trait for the month of September, which is perfect for the beginning of the year. Attentiveness builds a special awareness of self and others, and improves respect, as well as learning. You will soon be receiving more information about this wonderful character building program that your child will be exposed to.**

We are looking forward to a very fun and productive month ahead. We are grateful for all the little ones that we will be working with, and we appreciate all that you parents do to prepare them for school.

We will see you all very soon!! 🍌
